WELCOME TO ENSPIRIAN NEWS

We are thrilled to share the wonderful news that our annual SWEY fundraiser held on Saturday, April 29, 2023 was an outstanding success. We want to express our heartfelt gratitude to our sponsors and donors who contributed in order to make this milestone. We had the pleasure of working with the non-profit organization MyGoal which works towards supporting families and individuals affected by autism and other intellectual disabilities throughout their lifespan. They pursue their mission by providing support, connections, and resources.

We believe in continuous training and development, not only to our amazing students but also to our dedicated trainers. In the month of May, we held a leadership training series to our Enfluencers, led by Ms. Priya Kartik and facilitated by our Certified Enspire Academy Trainers (CEAT). It was so wonderful witness the leadership thinking in our interns and the passion for inspiring each other is impeccable.

Later we celebrated our phenomenal work with a strawberry cake and pizza from Romeo's Restaurant
